Bringing Fun back into our communities

Fun Day 2016

As you can see above, our Annual Fun Day on the Pavilion Field is fast approaching.

This year, The Parish Council will be hosting the event from 12noon onwards, with a dedicated marquee for Taste One World - where you will be able to sample food from many different countries - at the time of printing it is expected to be over 15 countries.

The Parish Council is delighted that the event will be opened by Mr Bromley Jones, head teacher at Randlay Primary School, who after 29 years of headship is moving on to pastures new. It would be wonderful to see as many current, past parents & children. There will be an opportunity to chat with Mr Jones once the day is underway.

Also, for the first time at 4pm a family picnic with free entertainment will take place in the main arena, where it is hoped many families will bring a rug, sit down with food & have a great time.

And the finale of the day will be an It's a Knockout competition over the various bouncy castles, bungee runs & obstacles - teams of 4 are needed. Please call The Council to enter your team. Special events will be available for under 16s, due to insurance purposes.

Future Events

Councillor Paul Shutt, Chairman, and all Members of the Parish Council invite you to join them at our future events.

Parish Council Facilities

The Parish Council has various rooms for hire which are available for parties, meetings, groups, sports & social occasions. We also have a sports field available for hire. The Council manages Randlay Allotments and we do have a few vacant plots. If you would like to view the allotments, please do not hesitate to contact us.

With our own PET team available, please let us know if you see any fly tipping, graffiti or general litter issues. The Parish Council can then assess the problems & proactively deal with them quickly to keep areas in our parish pleasant for all the residents.

Hollinswood Regeneration

If you've recently driven passed the Hollinswood Local Centre, you could hardly fail to notice that the building works are now finished, with a small amount of landscaping & general works to be completed over the next few months.

The Parish Council has also taken the opportunity to refurbish, extend, redecorate and improve the Neighbourhood Centre.

Some minor issues have been identified since completion, mostly regarding the new parking area and rear of the shops. The Parish Council is actively following through these concerns with the relevant people which will hopefully be resolved in the coming weeks.

An official opening will be arranged and we hope many people will attend, in the meantime, please call in and have a look.

Chairman's Message

It is an honour to have been re-elected as Chairman of Hollinswood & Randlay Parish Council for a further term of office. I am extremely proud of our Parish and I hope you will agree that the Hollinswood Local Centre is looking good as we near completion of the regeneration project. I would like to welcome the staff and clients at the Southwood Activity & Wellbeing Centre who have joined us and the shop tenants as part of our partnership for the people of our area.

We have a new Centre to be proud of and we hope that everyone will help us to keep it clean and tidy and to respect it for the pleasure and enjoyment of everyone who works and visits the area.

I look forward to seeing you at the Fun Day on 3rd July, it is free to enter and all the entertainment provided by the Parish Council will be free. We are pleased to have the One World UK International Day incorporated into the event with a giant picnic, followed by the It's a Knockout competition to end the day. There really will be something for everyone – see you there!

Councillor Paul Shutt
